AFTERWORD

Hi everyone, this is Shimaji Thank you for reading "Chiisana Koi no Melody" I hope everyone enjoyed reading about Eiji and Tatsumi's innocent romance I created these two characters a long, long time ago (approximately ten years ago) At first, Tatsumi was the uke. This story takes place during their first year of high school, but originally they were in their senior year Eiji was supposed to be a dropout, too But as time went by, the changes accumulated and this is the result of it all But Eiji's naivety and Tatsumi's unwavering love for Eiji never changed Unlike Eiji's dad, Wakki is a new addition.

My favorite character was Dad but now that Wakki is been created I like them both just as much.

While I was drawing this, a lot of thoughts were still running in my head That's why I hope everybody liked the end-product. I was so excited to draw Youdai and Momo's story, "Captivated"~ I rarely call my characters cute but when I was drawing Momo, I couldn't resist mumbling "So cute~ Momo is so cute"~ Sorry for praising myself. Once again, thank you and I hope you enjoyed this work of mines
